

Declaration of Conformity according to EN ISO/IEC 17050-1

Issued in accordance with ČSN EN ISO/IEC 17050-1 (Conformity assessment - Supplier's declaration of conformity - Part 1: General requirements) and ČSN EN ISO/IEC 17050-2 (Conformity assessment - Supplier's declaration of conformity - Part 2: Supporting documentation)

Manufacturer: **MANDÍK, a.s. – manufacture of air-handling and related fire fighting components, industrial heating systems, heating equipment, air handling units, and air-handling devices designed for special applications**

Dobříšská 550
267 24 Hostomice
Comp. Reg. No. 26718405, Tax Reg. No. CZ26718405

hereby confirms that the product

Identification of the appliance and equipment:

RPM-V, RPMC-V Airflow Regulator

underwent the assessment of conformity of its properties with the requirements of technical regulations performed according to the internal procedure of conformity assessment

a n d d e c l a r e s

that the properties of the above stated product meet the requirements stipulated by sections 3(1) and 3(2) of Act No. 102/2001 Coll., as amended. The product is safe if used as intended. Measures have been implemented to ensure conformity of all products placed on the market with the technical documentation and the essential requirements. In case of a change not approved by our organization this Declaration ceases to be valid.

Use within construction:

The RPM-V and RPMC-V products are used as airflow regulators in the systems with necessarily fluctuating flow of incoming or outgoing air.

The following technical standards and technical regulations were used for the assessment:

EN 60 721-3-3 ver. A2:1997

In Hostomice, on 19 May 2015
